MVP-SOS

A Bright Future for Every Child

Mission Statement

MVP-SOS was created to ensure a solid foundation for the future educational and personal success of our youth by keeping them involved in athletics and educational activities through the support of athletics and programs in our schools and community.

A History of Success

MVP-SOS is a volunteer non-profit foundation that is dedicated to raising funds for our community youth. Our philosophy is to ensure that all of our children can participate in athletics, school, and community activities regardless of financial resource. It is our belief that the mentoring and guidance provided through these extra-curricula activities will provide our children with the solid foundation for growth. This is our way to help create a bright future for every child.
